_____ Please check here if you do not intend to file the Free Application for Federal Student Aid (FAFSA). By not filing the FAFSA, you will not be considered for any State or Federal Financial Assistance. You may file the FAFSA at a later date or in a subsequent academic year if your circumstances change.

Parent signature _____
(if student is under 24 years of age)

Student signature _____
(not required if parent signs)

Date signed _____

Toward the beginning of each processing year, you may receive a letter regarding FAFSA filing with deadlines and other information. If you decide to file at that time for the coming academic year, follow the instructions in the accompanying letter or contact us if you have questions. Otherwise, we will assume you still do not wish to file and will not send additional communications during the year.
