

Unit Assessment Plan

Submit to the Institutional Research and Assessment Office by August 1st

The goal of this unit assessment is to inform institutional effectiveness. Institutional effectiveness assessment is conducted to determine the extent to which the college is achieving its mission. The unit supports this by identifying expected outcomes, assessing the extent to which it achieves these outcomes, and providing evidence of improvement based on analysis of the results.

Plan for Next Academic/Fiscal Year:

For implementation the fiscal/academic year of: 2017-2018

Person submitting report: Mary Hester

Unit name: Miller Library

Unit mission: The mission of Miller Library is to provide access to information and to instruct and assist stakeholders in locating, using, and evaluating this information.

Areas included in the unit: Miller Library and Academic Community Essentials (ACE) seminar

Outcomes	Outcome Target	Institutional Link
What do you want to accomplish? Please list <u>at least two</u> outcomes your unit will be assessing in the next few years to determine improvement in operational processes or procedures. Sometimes outcomes are listed as tasks. Outcomes are specific and measureable and can be strategic or operational.	What level of achievement do you want obtain for each outcome? The outcome target should be aggressive but attainable.	How does the outcome assist the college in achieving its mission? If outcomes support other identified institutional priorities, attach supporting institutional documentation
Outcome 1 Freshman students in ACE and library student workers will learn to locate, use, and evaluate information.	Baseline data from pre and post direct assessment will determine the outcome target for 2018-2019. Freshman and senior ratings at or above the national usage of information sources from the NSSE Transferrable Skills survey.	The college's Ideal McPherson College Graduate characteristics include "acquires and evaluates information" and is part of the college's general education purpose statement.
Outcome 2 Student workers will provide quality customer service to library consumers.	100% participation in soft skills training. Baseline data from a custom SSI question, "Library student workers are helpful and approachable" will determine future target level.	The college's mission states, "McPherson College's program integrate career guidance and practical experiences into a liberal arts curriculum...". Student workers are participating in practical experience and are assisting students, faculty, and staff in achieving the college's mission pillar of scholarship.
Additional Outcomes (optional): Discover employer expectations related to graduates' ability to learn through electronic avenues.	Outcome 3: not applicable, gathering information to determine employer levels of expectation.	Outcome 3: The college's Ideal McPherson College Graduate characteristics include "demonstrates the appropriate use of technology within his/her academic discipline" and is part of the college's general education purpose statement.
Performance Indicators		
What will you do to achieve your outcomes? Identify the performance indicators you will be using to assess achievement of your outcomes. Select your most important indicators. You should have <u>at least two</u> performance indicators for each outcome.		

Outcome 1: Provide freshmen ACE students and library student workers with information literacy skills training.	Outcome 2: Student workers will complete soft skills training provided through Webjunction and Skillsoft.	Additional Outcomes (optional):
Assessment Measures		
How and when will you measure your success? Identify <u>at least two</u> ways of measuring each outcome. At least one measure for each outcome should be a direct measure. Direct measures are quantifiable.		
Outcome 1 Direct method: Pre and post information literacy exam. Other methods: Freshman and Senior responses to NSSE Transferable Skills question How often have you written something that used information from a variety of sources (books, journals, internet, databases, etc.).	Outcome 2 Direct method: Soft skills training participation Other methods: Student Satisfaction Inventory custom question.	Additional assessment (optional): Direct method: Internship provider responses, published research. Other methods: Advisory boards' focus group or survey.

Assessment committee feedback:

Unit Assessment Timeline	
August 1	Assessment plan due for current fiscal year.
September 1	Assessment committee provides feedback

Assessment Measures		
<p>How will you measure your success? Identify <u>at least two</u> ways of measuring each outcome. At least one measure for each outcome should be a direct measure. Direct measures are quantifiable.</p>		

Outcome 1

Direct method: Track and record number of negligence grounds-related reports at the end of each fiscal year to determine total number of reports.

Other methods: Track number of complaints each fiscal year related to daily tasks such as mowing, trimming, emptying trash, etc. to determine disruption to institutional functioning.

Outcome 2

Direct method: Compare ratio of completed corrective vs. preventive work orders each fiscal year to the previous year.

Other methods: Track each fiscal year, the number of mechanical or electrical failures that result in building or system interruptions

Additional assessment methods:

Outcome 3: Direct: Each fiscal year, calculate cost per square foot compared to last year. Indirect: Record each fiscal year changes in processes, procedures to determine estimated cost savings or more efficient operations.
