Key Performance Indicators Definitions

INDICATOR	DEFINITION
Academic Climate: Job Satisfaction,	
Professional Development,	All indicators from our Chronicle of Higher Education: Great Colleges to
Communication, Relationship and Pride	Work For survey
Average ACT - Incoming	Mean composite score of first-time freshman on the ACT.
	All annual scholarship fund, unrestricted budget-relieving, restricted
Budget-Relieving Gifts	budget-relieving gifts during the fiscal year.
Capital Investment%	Capital expenses, including computer capital expense, divided by total operating expenses. Capital expenses for the fiscal year excluding capital expenses related to capital campaign funded projects. Total operating budget comprises all expenses on the annual operating budget.
Co-curricular Participation	Full-time students per year that participate in a college-sanctioned club or student governing board, athletics, band/choir, or theatre (students participating in multiple co-curricular activities are only counted once). (Attended events added 2023)
,	
	End of fiscal year percentile based on median salaries of 9 month
Compensation Percentile (KICA)	Professor, Asst. Prof, and Assoc. Prof. (excludes instructors, benefits, etc.).
Cost Per Student	Total operating expenses per audit divided by total full time students.
Debt Per Graduate	Total dollar amount in student loans per graduate
	Indicates whether the institution's earnings on endowment are increasing or
Endowment Asset Return	decreasing. Calculation: endowment total earnings divided by endowment
	total net assets.
Endowment Spending Rate	The current fund rate based on the most recent three-year average of effective endowment values, with the value for the most recent fiscal year based on the asset values as of June 30 for years 1 and 2 and Dec. 31 for year three, which will be determined by the Board of Trustees. Effective
Zadovinom Sponding Carl	endowment is defined as endowment assets reduced by the amount of any borrowing by the Plan Fund for construction costs and reduced by the amount of endowment assets restricted to purposes outside the operating budget of the college.
	Total number of full-time faculty from August 1-July 30 from the previous
Faculty Retention	year to the current year.
First-time Full-time Freshman	semester, not previously enrolled as a full-time student at any higher
	Percentage of first time, full-time freshmen students returning the
FTFT Freshman Retention	following Fall semester-figured annually from Fall-to-Fall.
	Ratio that indicates full time equivalency faculty to full-time student
Full-time Faculty/Student Ratio	equivalency.
Full-time International Students	Percentage of full time international students.
Full-time Resident Students	Total full-time students living in campus housing.
Full-time Student	A student enrolled for 12 or more hours per semester.
General Student%	Non-auto restoration and non-athlete students as a percentage of the total full time student body.
General Student/0	Percentage of student who participate in an international academic
Global Experience	experience.
Global Experience	Percentage of graduates who applied and were accepted into graduate
Graduate School Placement	school by the time of graduation.
Graduate School Flacement	Percentage of first time, full-time freshmen students who graduate with a
Graduation Rate	Bachelor's degree within six years from initial matriculation.
Oraqualion Kate	pachetor's degree within six years from mittal matriculation.

Key Performance Indicators Definitions

nution and required fee revenue as shown in the budget detail report. (Doe not include revenue from R3, Milwaukee, and the summer institute). Percentage of graduates who participate in experience placements including internships, field experience, practicum or student teaching experience while attending McPherson College. Job Placement Graduates who secured employment within six months of graduation. An enrolled student (full or part-time) primarily because one or both their parents are alumni of McPherson College. Percentage of the operating budget that is made up of facilities maintenance expenses. Students who indicate they are Hispanic, Latino, of Spanish origin, Black/African American, Asian, Native Hawaiian/Pacific Islander, or American Indian/Alaskan Native. Minority Student Indian/Alaskan Native. Minority Student American, Asian, Native Hawaiian/Pacific Islander, or American Indian/Alaskan Native. Net Operating Ratio Astudent attending the institution of or the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Online Gift % Percentage of faculty positions left open for the fiscal year. Planned Giving Total committed planned gifts that were made online. Open Faculty Positions Percentage of faculty positions left open for the fiscal year. Primary Reserve Ratio Rese		Total institutional amount and student ashalamshin aid divided by total amount
Pended Discount Rate Percentage of graduates who participate in experience placements including internships, field experience, practicum or student teaching experience while attending McPherson College. Job Placement An enrolled student (full or part-time) primarily because one or both their parents are alumni of McPherson College. Percentage of the operating budget that is made up of facilities maintenance Expenses. Maintenance Expenses% Maintenance Expenses% Students who indicate they are Hispanic, Latino, of Spanish origin, Black/African American, Asian, Native Hawaiian/Pacific Islander, or American Indian/Alaskan Native. Net Operating Ratio A student attending the institutional operations resulted in a surplus or a deficit for the year. Calculation: change in unrestricted net assets divided by total unrestricted revenue. Net Operating Ratio A student attending the institution for the first time at the undergraduate level. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Online Gift % Open Faculty Positions Percentage of faculty positions left open for the fiscal year. Planned Giving Total committed planned gifts—both revocable and irrevocable. Measures financial strength by comparing expendable net assets to total expenses. The ratio represents the percent of a year the institution could meet financial obligations with assets readily available. Calculation: expendable net assets divided by total expenses. The ratio represents the percent of a year the institution could meet financial obligations with assets readily available. Calculation: expendable net assets divided by total expenses.
