Notes:

1. Students are responsible for knowing their final exam schedule and planning their travel accordingly. They should not ask faculty to take exams at an earlier time for any reason other than extraordinary, unavoidable circumstances, nor should faculty agree to do so without approval of the CAO.
2. Students who have three or more final exams scheduled on the same day may speak to the CAO about working with the faculty involved to arrange a different day for one of the exams.
3. Students enrolled in appointment classes should check with professors to determine the examination schedule.
4. Student exchange policy with McPherson College is that the priorities of the host campus take precedence. The home campus will be flexible. In case of severe disagreements or student hardships, the schools' CAOs will consult and determine a resolution.
